

# John on Jesus

## *The Power of My Network*

### Small Group Work Sheet

June 3, 2012

#### Part 1 - Ice Breaker

Talk about your relational networks.

- What are those networks?
- Who are some of the important people in them whom you need to build a relationship?
- What relational groups did you forget to add to your list?

#### Part 2 - Sermon Review

1. In your own words, explain geometric progression?
2. Our relational network contains family, friends and acquaintances. Which group is most influential? Which group introduces us to new things? What does this tell us about our place of greatest influence?
3. In a world where we face 3,000 advertisements a day, what crucial role do friends play when it comes to filtering them?
4. When it comes to talking about Jesus, why do we just need to invite others to meet Jesus, not prove him to them?
5. How many degrees of separation do you think exists between people in the lakes region of Iowa? How does this make you feel about reaching our region for Jesus?
6. What are the action steps God is calling you to take this week with your relational network?
